PRINCIPAL'S MESSAGE

Shree Ji Public School Jattari was started in 2011 with the aim to provide world class education in this rural area. Our sole aim is to create a conducive atmosphere where children have ample opportunities to display social, emotional and academic excellence. The students are groomed to learn civic sense and empowered to face the challenges of tomorrow.

Each individual contributes to our strength and success as a whole. As educators, we need to discover how each child learns in order to differentiate our instructions to support diverse learning styles; all children are different and unique. We pledge to provide a holistic learning environment that is positive, safe, caring; a fun place to learn and grow. It is our responsibility to provide our students the essentials needed for success in a safe and warm environment. Though sky is the limit, we take care of the needs and desires of every student with great zeal.
